10 March 2015

Dear Parents and Carers

ACTIVE KIDS ARE HAPPY KIDS - NATIONAL RIDE 2 SCHOOL DAY FRIDAY, 13TH MARCH

The Ipswich City council will host a breakfast at the school for students who ride, scoot, or walk to school this Friday (This includes walking from the car park opposite the car yard). Students will also be eligible to get prizes.

When: Friday 13 March (THIS FRIDAY)

BREAKFAST - in the Sports Hall from 8am to 8.30am.
Tickets will be given to students as they enter the grounds.

Headlice

There have been a number of reported cases within classrooms of students with headlice. Please be vigilant and check your child's head for lice. If you find any, please follow treatment
processes carefully. Remember to also treat hats, car seats, bed linen and soft toys as well. A comb that I have found to be the best on the market is called the Terminator. It is a serrated fine comb that collects all eggs and lice in an easy action. There are, of course, many other products on the market, but the key is simply to be vigilant and remember to treat and re-treat as necessary.

School Pick-Up

Just a reminder that school finishes here at Bundamba State School at 2.45pm. There are quite a number of regular students who are not being picked up until 3.15pm. Staff are often required to attend meetings and events after school and often it is difficult to supervise these "left over" children. Please assist the school and be diligent in picking up your children. Obviously unforeseen circumstances occur and, in these cases, please contact the school to let them know. If you are having trouble picking up your children on time, please contact the office for information on our after school care program. We thank you in advance for your assistance in this matter and ensuring your children are picked up on time.

Wickham Street Bus Stop

There is a bus stop outside the office in Wickham Street which only operates in the morning from 7 to 9am. Do not park in this area in the morning. We believe there will be a police blitz in Wickham Street shortly.

2015 Community ANZAC Day Parade

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near Domino's Pizza. Please support the school and this important event in Australia's history. Hope to see you there!

Parents, have you recorded your email address with the office? Please take the time to record your email address with us.
Screen time Affects Rest in Children

I was recently reading an article about the effects of too much screen time for children. I am sure that many people are aware that when children do not get enough sleep, they get over tired and cranky. As parents we are the ones that then have to manage the behaviour that accompanies tired and moody children. Are you aware that too much time spent in front of screens, like TV's, games, mobile devices and computers can affect our children's quality and quantity of rest? The Department of Health guidelines recommends that 2-5 year olds should only spend 1 hour a day in front of a screen, while 5-12 year olds should not be exposed to more than 2 hours a day of screen time. If you would like to read the article please click on the link.

Chaplaincy Dinner

The Ipswich District is holding a combined Chaplaincy Dinner on 27th March at the Ipswich RSL. $40.00 per head, we are looking for a table of 10 people. If you would like to come, please contact Andrea Erichsen phone 3816 6666

Easter Camps

SU (Scripture Union) runs a variety of school holiday camps throughout the year for primary and secondary students. There are 3 primary school camps available in the Easter holidays for Grades 5-7 for students in our District, Loop Easter, Gents Ignition (boys only) and Mapleton Easter Adventure Camp. Dear Parents and Carers

ACTIVE KIDS ARE HAPPY KIDS - NATIONAL RIDE 2 SCHOOL DAY FRIDAY, 13TH MARCH

The Ipswich City council will host a breakfast at the school for students who ride, scoot, or walk to school this Friday (This includes walking from the car park opposite the car yard). Students will also be eligible to get prizes.

When: Friday 13 March (THIS FRIDAY)

BREAKFAST - in the Sports Hall from 8am to 8.30am.
Tickets will be given to students as they enter the grounds.

Headlice

There have been a number of reported cases within classrooms of students with headlice.

Please be vigilant and check your child's head for lice. If you find any, please follow treatment
processes carefully. Remember to also treat hats, car seats, bed linen and soft toys as well. A comb that I have found to be the best on the market is called the Terminator. It is a serrated fine comb that collects all eggs and lice in an easy action. There are, of course, many other products on the market, but the key is simply to be vigilant and remember to treat and re-treat as necessary.

School Pick-Up

Just a reminder that school finishes here at Bundamba State School at 2.45pm. There are quite a number of regular students who are not being picked up until 3.15pm. Staff are often required to attend meetings and events after school and often it is difficult to supervise these "left over" children. Please assist the school and be diligent in picking up your children. Obviously unforeseen circumstances occur and, in these cases, please contact the school to let them know. If you are having trouble picking up your children on time, please contact the office for information on our after school care program. We thank you in advance for your assistance in this matter and ensuring your children are picked up on time.

Wickham Street Bus Stop

There is a bus stop outside the office in Wickham Street which only operates in the morning from 7 to 9am. Do not park in this area in the morning. We believe there will be a police blitz in Wickham Street shortly.

2015 Community ANZAC Day Parade

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near Domino's Pizza. Please support the school and this important event in Australia's history. Hope to see you there!

Parents, have you recorded your email address with the office? Please take the time to record your email address with us.
Screen time Affects Rest in Children

I was recently reading an article about the effects of too much screen time for children. I am sure that many people are aware that when children do not get enough sleep, they get over tired and cranky. As parents we are the ones that then have to manage the behaviour that accompanies tired and moody children. Are you aware that too much time spent infront of screens, like TV's, games, mobile devices and computers can affect our children's quality and quantity of rest?

The Department of Health guidelines recommends that 2-5 year olds should only spend 1 hour a day in front of a screen, while 5-12 year olds should not be exposed to more than 2 hours a day of screen time. If you would like to read the article please click on the link.

Chaplaincy Dinner

The Ipswich District is holding a combined Chaplaincy Dinner on 27th March at the Ipswich RSL. $40.00 per head, we are looking for a table of 10 people. If you would like to come, please contact Andrea Erichsen phone 3816 6666

Easter Camps

SU (Scripture Union) runs a variety of school holiday camps throughout the year for primary and secondary students. There are 3 primary school camps available in the Easter holidays for Grades 5-7 for students in our District, Loop Easter, Gents Ignition (boys only) and Mapleton Easter Adventure Camp. You can contact me for a brochure or the webb address below has all the relevant information and registration details.

Dear Parents and Carers

ACTIVE KIDS ARE HAPPY KIDS - NATIONAL RIDE 2 SCHOOL DAY FRIDAY, 13TH MARCH

The Ipswich City council will host a breakfast at the school for students who ride, scoot, or walk to school this Friday (This includes walking from the car park opposite the car yard). Students will also be eligible to get prizes.

When: Friday 13 March (THIS FRIDAY)

BREAKFAST - in the Sports Hall from 8am to 8.30am.
Tickets will be given to students as they enter the grounds.

Headlice

There have been a number of reported cases within classrooms of students with headlice.
Please be vigilant and check your child's head for lice. If you find any, please follow treatment
processes carefully. Remember to also treat hats, car seats, bed linen and soft toys as well. A comb that I have found to be the best on the market is called the Terminator. It is a serrated fine comb that collects all eggs and lice in an easy action. There are, of course, many other products on the market, but the key is simply to be vigilant and remember to treat and re-treat as necessary.

School Pick-Up

Just a reminder that school finishes here at Bundamba State School at 2.45pm. There are quite a number of regular students who are not being picked up until 3.15pm. Staff are often required to attend meetings and events after school and often it is difficult to supervise these "left over" children. Please assist the school and be diligent in picking up your children. Obviously unforeseen circumstances occur and, in these cases, please contact the school to let them know. If you are having trouble picking up your children on time, please contact the office for information on our after school care program. We thank you in advance for your assistance in this matter and ensuring your children are picked up on time.

Wickham Street Bus Stop

There is a bus stop outside the office in Wickham Street which only operates in the morning from 7 to 9am. Do not park in this area in the morning. We believe there will be a police blitz in Wickham Street shortly.

2015 Community ANZAC Day Parade

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near Domino's Pizza. Please support the school and this important event in Australia's history. Hope to see you there!

Parents, have you recorded your email address with the office? Please take the time to record your email address with us.
Screen time Affects Rest in Children

I was recently reading an article about the effects of too much screen time for children. I am sure that many people are aware that when children do not get enough sleep, they get over tired and cranky. As parents we are the ones that then have to manage the behaviour that accompanies tired and moody children. Are you aware that too much time spent in front of screens, like TV’s, games, mobile devices and computers can affect our children’s quality and quantity of rest?

The Department of Health guidelines recommends that 2-5 year olds should only spend 1 hour a day in front of a screen, while 5-12 year olds should not be exposed to more than 2 hours a day of screen time. If you would like to read the article please click on the link.

Chaplaincy Dinner

The Ipswich District is holding a combined Chaplaincy Dinner on 27th March at the Ipswich RSL. $40.00 per head, we are looking for a table of 10 people. If you would like to come, please contact Andrea Erichsen phone 3816 6666

Dear Parents and Carers

ACTIVE KIDS ARE HAPPY KIDS - NATIONAL RIDE 2 SCHOOL DAY FRIDAY, 13TH MARCH

The Ipswich City council will host a breakfast at the school for students who ride, scoot, or walk to school this Friday (This includes walking from the car park opposite the car yard). Students will also be eligible to get prizes.

When: Friday 13 March (THIS FRIDAY)

BREAKFAST - in the Sports Hall from 8am to 8.30am.
Tickets will be given to students as they enter the grounds.

Headlice

There have been a number of reported cases within classrooms of students with headlice. Please be vigilant and check your child's head for lice. If you find any, please follow treatment...
processes carefully. Remember to also treat hats, car seats, bed linen and soft toys as well. A comb that I have found to be the best on the market is called the Terminator. It is a serrated fine comb that collects all eggs and lice in an easy action. There are, of course, many other products on the market, but the key is simply to be vigilant and remember to treat and re-treat as necessary.

**School Pick-Up**

Just a reminder that school finishes here at Bundamba State School at 2.45pm. There are quite a number of regular students who are not being picked up until 3.15pm. Staff are often required to attend meetings and events after school and often it is difficult to supervise these "left over" children. Please assist the school and be diligent in picking up your children. Obviously unforeseen circumstances occur and, in these cases, please contact the school to let them know. If you are having trouble picking up your children on time, please contact the office for information on our after school care program. We thank you in advance for your assistance in this matter and ensuring your children are picked up on time.

**Wickham Street Bus Stop**

There is a bus stop outside the office in Wickham Street which only operates in the morning from 7 to 9am. Do not park in this area in the morning. We believe there will be a police blitz in Wickham Street shortly.

**2015 Community ANZAC Day Parade**

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near Domino's Pizza. Please support the school and this important event in Australia's history. Hope to see you there!

Parents, have you recorded your email address with the office? Please take the time to record your email address with us.
Screen time Affects Rest in Children

I was recently reading an article about the effects of too much screen time for children. I am sure that many people are aware that when children do not get enough sleep, they get over tired and cranky. As parents we are the ones that then have to manage the behaviour that accompanies tired and moody children. Are you aware that too much time spent infront of screens, like TV’s, games, mobile devices and computers can affect our children's quality and quantity of rest?

The Department of Health guidelines recommends that 2-5 year olds should only spend 1 hour a day in front of a screen, while 5-12 year olds should not be exposed to more than 2 hours a day of screen time. If you would like to read the article please click on the link.

Chaplaincy Dinner

The Ipswich District is holding a combined Chaplaincy Dinner on 27th March at the Ipswich RSL. $40.00 per head, we are looking for a table of 10 people. If you would like to come, please contact Andrea Erichsen phone 3816 6666

Dear Parents and Carers

ACTIVE KIDS ARE HAPPY KIDS - NATIONAL RIDE 2 SCHOOL DAY FRIDAY, 13TH MARCH

The Ipswich City council will host a breakfast at the school for students who ride, scoot, or walk to school this Friday (This includes walking from the car park opposite the car yard). Students will also be eligible to get prizes.

When: Friday 13 March (THIS FRIDAY)

BREAKFAST - in the Sports Hall from 8am to 8.30am.

Tickets will be given to students as they enter the grounds.

Headlice

There have been a number of reported cases within classrooms of students with headlice. Please be vigilant and check your child's head for lice. If you find any, please follow treatment
processes carefully. Remember to also treat hats, car seats, bed linen and soft toys as well. A comb that I have found to be the best on the market is called the Terminator. It is a serrated fine comb that collects all eggs and lice in an easy action. There are, of course, many other products on the market, but the key is simply to be vigilant and remember to treat and re-treat as necessary.

School Pick-Up

Just a reminder that school finishes here at Bundamba State School at 2.45pm. There are quite a number of regular students who are not being picked up until 3.15pm. Staff are often required to attend meetings and events after school and often it is difficult to supervise these "left over" children. Please assist the school and be diligent in picking up your children. Obviously unforeseen circumstances occur and, in these cases, please contact the school to let them know. If you are having trouble picking up your children on time, please contact the office for information on our after school care program. We thank you in advance for your assistance in this matter and ensuring your children are picked up on time.

Wickham Street Bus Stop

There is a bus stop outside the office in Wickham Street which only operates in the morning from 7 to 9am. Do not park in this area in the morning. We believe there will be a police blitz in Wickham Street shortly.

2015 Community ANZAC Day Parade

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near Domino's Pizza. Please support the school and this important event in Australia's history. Hope to see you there!

Parents, have you recorded your email address with the office? Please take the time to record your email address with us.

GOTCHA FOCUS BEHAVIOUR
Screen time Affects Rest in Children

I was recently reading an article about the effects of too much screen time for children. I am sure that many people are aware that when children do not get enough sleep, they get over tired and cranky. As parents we are the ones that then have to manage the behaviour that accompanies tired and moody children. Are you aware that too much time spent in front of screens, like TV’s, games, mobile devices and computers can affect our children's quality and quantity of rest?

The Department of Health guidelines recommend that 2-5 year olds should only spend 1 hour a day in front of a screen, while 5-12 year olds should not be exposed to more than 2 hours a day of screen time. If you would like to read the article please click on the link.

Chaplaincy Dinner

The Ipswich District is holding a combined Chaplaincy Dinner on 27th March at the Ipswich RSL. $40.00 per head, we are looking for a table of 10 people. If you would like to come, please contact Andrea Erichsen phone 3816 6666

Easter Camps

SU (Scripture Union) runs a variety of school holiday camps throughout the year for primary and secondary students. There are 3 primary school camps available in the Easter holidays for Grades 5-7 for students in our District, Loop Easter, Gents Ignition (boys only) and Mapleton Easter Adventure Camp. The Peach program is coming to Ipswich in Term 2. Get your family active and eating well. Local families can now sign up for the free healthy lifestyle program called PEACH - Parenting, Eating and Activity for Child Health. Registrations are now open for a group to commence in Term 2, 2015. The program is fun for kids and helps parents and carers make healthy eating and activity a part of every day life. It is available to families with a child aged between 5 - 11 years who is above a healthy weight for their age.

It consists of 10 group sessions that run for 90 minutes each. The first 9 sessions are held weekly within the school term. Ongoing individualised family support is offered through the second half of the program ending with one final group session.

Some of the topics covered include nutrition skills, relationships with food and eating, changing family lifestyle behaviours and making healthy eating affordable. While the parent sessions are taking place, children enjoy active play with a trained child physical activity facilitator.

Dear Parents and Carers

ACTIVE KIDS ARE HAPPY KIDS - NATIONAL RIDE 2 SCHOOL DAY FRIDAY, 13TH MARCH

The Ipswich City council will host a breakfast at the school for students who ride, scoot, or walk to school this Friday (This includes walking from the car park opposite the car yard). Students will also be eligible to get prizes.

When: Friday 13 March (THIS FRIDAY)

BREAKFAST - in the Sports Hall from 8am to 8.30am.
Tickets will be given to students as they enter the grounds.

Headlice

There have been a number of reported cases within classrooms of students with headlice.

Please be vigilant and check your child's head for lice. If you find any, please follow treatment...
processes carefully. Remember to also treat hats, car seats, bed linen and soft toys as well. A comb that I have found to be the best on the market is called the Terminator. It is a serrated fine comb that collects all eggs and lice in an easy action. There are, of course, many other products on the market, but the key is simply to be vigilant and remember to treat and re-treat as necessary.

School Pick-Up

Just a reminder that school finishes here at Bundamba State School at 2.45pm. There are quite a number of regular students who are not being picked up until 3.15pm. Staff are often required to attend meetings and events after school and often it is difficult to supervise these "left over" children. Please assist the school and be diligent in picking up your children. Obviously unforeseen circumstances occur and, in these cases, please contact the school to let them know. If you are having trouble picking up your children on time, please contact the office for information on our after school care program. We thank you in advance for your assistance in this matter and ensuring your children are picked up on time.

Wickham Street Bus Stop

There is a bus stop outside the office in Wickham Street which only operates in the morning from 7 to 9am. Do not park in this area in the morning. We believe there will be a police blitz in Wickham Street shortly.

2015 Community ANZAC Day Parade

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near Domino's Pizza. Please support the school and this important event in Australia's history. Hope to see you there!

Parents, have you recorded your email address with the office? Please take the time to record your email address with us.
Screen time Affects Rest in Children

I was recently reading an article about the effects of too much screen time for children. I am sure that many people are aware that when children do not get enough sleep, they get over tired and cranky. As parents we are the ones that then have to manage the behaviour that accompanies tired and moody children. Are you aware that too much time spent in front of screens, like TV's, games, mobile devices and computers can affect our children's quality and quantity of rest?

The Department of Health guidelines recommends that 2-5 year olds should only spend 1 hour a day in front of a screen, while 5-12 year olds should not be exposed to more than 2 hours a day of screen time. If you would like to read the article please click on the link.

Chaplaincy Dinner

The Ipswich District is holding a combined Chaplaincy Dinner on 27th March at the Ipswich RSL. $40.00 per head, we are looking for a table of 10 people. If you would like to come, please contact Andrea Erichsen phone 3816 6666
