FROM THE PRINCIPAL

We acknowledge the traditional custodians of this land and pay our respects to the Elders both past, present and future.

24 February 2015

Dear Parents and Carers

Student Leaders for 2015
The Student Leader Induction Assembly was held on Friday, 13th February. This was an important ceremony that recognised our student leaders for 2015. We were very pleased to have the Mayor, Paul Pisasale speak to students and present badges.

Parent Contribution

Every year we purchase additional classroom requirements/resources from the parent contribution or levy. For our school the amount is ONLY $20.00 PER FAMILY PER YEAR, regardless of how many children are in your family. This levy is now due and can be paid at the school office. We look forward to your contribution which enhances the learning in your child's classroom. Thank you to all families who have already paid their family contribution this year.
**School Attendance**

Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day.

- they learn better
- they make friends
- they are happier
- they have a brighter future.

Unless your child is ill, it is expected that your child will be at school learning every day of the school year.

**Uniforms**

Please remember that it is the expectation that all students wear full school uniform, every day. Students who are not able to wear the full school uniform for any reason will need to have a note written by their parent/guardian. Caps are not part of our school uniform.

**Three Reasons Why Reading is Important**

1. Reading is fundamental to function in today's society. There are many adults who cannot read well enough to understand the instructions on a medicine bottle. That is a scary thought - especially for their children.
2. Reading is a vital skill in finding a good job. Many jobs require reading as a part of job performance.
3. Reading is important because it develops the mind. The mind is a muscle. It needs exercise. Understanding the written word is one way the mind grows in its ability. Teaching young children to read helps them develop their language skills.

**2015 Community ANZAC Day Parade**

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State
School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near domino's Pizza. Please support the school and this importante event in Australia's history. Hope to see you there!

Good on you Tip Top!

Tip Top, a division of George Weston Foods Limited, has now come on board as a supporter of the YMCA Schools' Breakfast Program via its partnership with Foodbank Qld. Tip Top has committed to providing enough nutritious tasty bread and crumpets to supply all of the school breakfast programs enlisted with the YMCA. This includes their new Wholemeal and Fruit Breakfast Toast. Two slices of this provides 70% of the daily recommended whole grain intake, with no grainy bits, and the delicious flavour of raisins we think it's going to be a hit with the kids.
Tip Top's support of the YMCA Schools Breakfast Program is a pilot with the long term ambition being to extend their support nationally to other Foodbank Breakfast programs. In Qld the bread will be formally donated to Foodbank, but will be collected by the YMCA directly from Tip Top's Springwood Baker and distributed by the YMCA to support schools enlisted in the YMCA Schools' Breakfast Program.

Children's Safety Australia Inc. presents

International Women’s Day
Children’s Safety Luncheon

In recognition of the strong connection between women's and children’s rights, Children's Safety Australia Inc. is hosting an International Women's Day Luncheon with a focus on practical strategies to promote children's safety. Speakers include internationally renowned children’s rights campaigner Professor Freda Briggs, accomplished author Tess Rowley and internet safety expert Brett Lee.

Key topics include:
- the emerging trend of children who abuse other children;
- internet safety tips including how to protect children and young people from various dangers in a rapidly changing online environment; and
- practical strategies to keep children safe, including how to build their self esteem and resilience.

VENUE: Pullman Brisbane King George Square
DATE: Monday, 9 March 2015
TIME: 9.30am (for a 10.00am start) – 2.00pm
COST: $60 (includes light morning tea on arrival and hot buffet lunch)
BOOKINGS: http://www.trybooking.com/GRKD
FURTHER INFORMATION: Kim Jackson via e: admin@childsafety.org.au or m: 0423 532 868

As highlighted in United Nations report, Women’s and Children’s Rights: Making the Connection, the lives of women and children are tightly knit, as are their rights. Advocating for women’s rights has been essential to advancing the situation of women worldwide. The same holds true for the promotion of children’s rights and improvements in their ability to survive and thrive. However, if the rights of women and children are considered together, they can reinforce each other and make mutually supportive demands on society.

The event presents a valuable professional development opportunity for police, social workers, educators, youth workers, chaplains, guidance officers, parents, carers, grandparents and anyone with an interest in keeping children safe.

For our school the amount is ONLY $20.00 PER FAMILY PER YEAR, regardless of how many children are in your family. This levy is now due and can be paid at the school office. We look forward to your contribution which enhances the learning in your child's classroom. Thank you to all families who have already paid their family contribution this year.
School Attendance

Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day.

- they learn better
- they make friends
- they are happier
- they have a brighter future.

Unless your child is ill, it is expected that your child will be at school learning every day of the school year.

Uniforms

Please remember that it is the expectation that all students wear full school uniform, every day. Students who are not able to wear the full school uniform for any reason will need to have a note written by their parent/guardian. Caps are not part of our school uniform.

Three Reasons Why Reading Is Important

1. Reading is fundamental to function in today's society. There are many adults who cannot read well enough to understand the instructions on a medicine bottle. That is a scary thought - especially for their children.
2. Reading is a vital skill in finding a good job. Many jobs require reading as a part of job performance.
3. Reading is important because it develops the mind. The mind is a muscle. It needs exercise. Understanding the written word is one way the mind grows in its ability. Teaching young children to read helps them develop their language skills.

2015 Community ANZAC Day Parade

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State
School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near domino's Pizza. Please support the school and this importante event in Australia's history. Hope to see you there!

Good on you Tip Top!

Tip Top, a division of George Weston Foods Limited, has now come on board as a supporter of the YMCA Schools' Breakfast Program via its partnership with Foodbank Qld. Tip Top has committed to providing enough nutritious tasty bread and crumpets to supply all of the school breakfast programs enlisted with the YMCA. This includes their new Wholemeal and Fruit Breakfast Toast. Two slices of this provides 70% of the daily recommended whole grain intake, with no grainy bits, and the delicious flavour of raisins we think it's going to be a hit with the kids.
Tip Top's support of the YMCA Schools Breakfast Program is a pilot with the long term ambition being to extend their support nationally to other Foodbank Breakfast programs. In Qld the bread will be formally donated to Foodbank, but will be collected by the YMCA directly from Tip Top's Springwood Baker and distributed by the YMCA to support schools enlisted in the YMCA Schools' Breakfast Program.

As highlighted in United Nations report, Women’s and Children’s Rights: Making the Connection, the lives of women and children are tightly knit, as are their rights. Advocating for women’s rights has been essential to advancing the situation of women worldwide. The same holds true for the promotion of children’s rights and improvements in their ability to survive and thrive. However, if the rights of women and children are considered together, they can reinforce each other and make mutually supportive demands on society.

The event presents a valuable professional development opportunity for police, social workers, educators, youth workers, chaplains, guidance officers, parents, carers, grandparents and anyone with an interest in keeping children safe.

Unless your child is ill, it is expected that your child will be at school learning every day of the school year.

Uniforms

Please remember that it is the expectation that all students wear full school uniform, every day. Students who are not able to wear the full school uniform for any reason will need to have a note written by their parent/guardian. Caps are not part of our school uniform.

Three Reasons Why Reading Is Important

1. Reading is fundamental to function in today’s society. There are many adults who cannot read well enough to understand the instructions on a medicine bottle. That is a scary thought - especially for their children.
2. Reading is a vital skill in finding a good job. Many jobs require reading as a part of job performance.
3. Reading is important because it develops the mind. The mind is a muscle. It needs exercise. Understanding the written word is one way the mind grows in its ability. Teaching young children to read helps them develop their language skills.

2015 Community ANZAC Day Parade

Please mark on your calendar ANZAC Day on April 25th as we would love to have Bundamba State
School students representing our school in the annual ANZAC procession. Students will need to be in full school uniform (including hat and water bottle as it gets hot). We will meet at 9am sharp just near domino's Pizza. Please support the school and this importante event in Australia's history. Hope to see you there!

Good on you Tip Top!

Tip Top, a division of George Weston Foods Limited, has now come on board as a supporter of the YMCA Schools' Breakfast Program via its partnership with Foodbank Qld. Tip Top has committed to providing enough nutritious tasty bread and crumpets to supply all of the school breakfast programs enlisted with the YMCA. This includes their new Wholemeal and Fruit Breakfast Toast. Two slices of this provides 70% of the daily recommended whole grain intake, with no grainy bits, and the delicious flavour of raisins we think it's going to be a hit with the kids.
Tip Top’s support of the YMCA Schools Breakfast Program is a pilot with the long term ambition being to extend their support nationally to other Foodbank Breakfast programs. In Qld the bread will be formally donated to Foodbank, but will be collected by the YMCA directly from Tip Top’s Springwood Baker and distributed by the YMCA to support schools enlisted in the YMCA Schools’ Breakfast Program.

As highlighted in United Nations report, Women’s and Children’s Rights: Making the Connection, the lives of women and children are tightly knit, as are their rights. Advocating for women’s rights has been essential to advancing the situation of women worldwide. The same holds true for the promotion of children’s rights and improvements in their ability to survive and thrive. However, if the rights of women and children are considered together, they can reinforce each other and make mutually supportive demands on society.

The event presents a valuable professional development opportunity for police, social workers, educators, youth workers, chaplains, guidance officers, parents, carers, grandparents and anyone with an interest in keeping children safe.

24 February 2015

Dear Parents and Carers

Student Leaders for 2015
The Student Leader Induction Assembly was held on Friday, 13th February. This was an important ceremony that recognised our student leaders for 2015. We were very pleased to have the Mayor, Paul Pisasale speak to students and present badges.

Parent Contribution

Every year we purchase additional classroom requirements/resources from the parent contribution or levy. For our school the amount is ONLY $20.00 PER FAMILY PER YEAR, regardless of how many children are in your family. This levy is now due and can be paid at the school office. We look forward to your contribution which enhances the learning in your child's classroom. Thank you to all families who have already paid their family contribution this year.
School Attendance

Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day.

- they learn better
- they make friends
- they are happier
- they have a brighter future.

Unless your child is ill, it is expected that your child will be at school learning every day of the school year.

Good on you Tip Top!

Tip Top, a division of George Weston Foods Limited, has now come on board as a supporter of the YMCA Schools' Breakfast Program via its partnership with Foodbank Qld. Tip Top has committed to providing enough nutritious tasty bread and crumpets to supply all of the school breakfast programs enlisted with the YMCA. This includes their new Wholemeal and Fruit Breakfast Toast. Two slices of this provides 70% of the daily recommended whole grain intake, with no grainy bits, and the delicious flavour of raisins we think it's going to be a hit with the kids.
Tip Top's support of the YMCA Schools Breakfast Program is a pilot with the long term ambition being to extend their support nationally to other Foodbank Breakfast programs. In Qld the bread will be formally donated to Foodbank, but will be collected by the YMCA directly from Tip Top's Springwood Baker and distributed by the YMCA to support schools enlisted in the YMCA Schools' Breakfast Program.

As highlighted in United Nations report, Women’s and Children’s Rights: Making the Connection, the lives of women and children are tightly knit, as are their rights. Advocating for women’s rights has been essential to advancing the situation of women worldwide. The same holds true for the promotion of children's rights and improvements in their ability to survive and thrive. However, if the rights of women and children are considered together, they can reinforce each other and make mutually supportive demands on society.

The event presents a valuable professional development opportunity for police, social workers, educators, youth workers, chaplains, guidance officers, parents, carers, grandparents and anyone with an interest in keeping children safe.
